Caleb: They spy-teched you.
me: oh shitr
me: I'm gonna look for spytech commercials
Caleb: Oh yeah.
Caleb: What videos did I send you today?
Caleb: I don't have a speaker at work so I couldn't actually watch any of them.
Caleb: But I remember thinking to myself that those were some true gems.
Caleb: True gems that I should watch later.
me: let's see
Caleb: When I might have access to speakers.
me: I think just one
me: with Chevy Chase
me: meanwhile
